Chapter 3. Registration of Securities and Notice Filing of Federal Covered Securities

Sec. 1. It is unlawful for a person to offer or sell a security in this state unless:

- (1) the security is a federal covered security;
- (2) the security, transaction, or offer is exempted from registration under IC 23-19-2-1 through IC 23-19-2-3; or
- (3) the security is registered under this article.

Sec. 2. (a) With respect to a federal covered security, as defined in Section 18(b)(2) of the Securities Act of 1933 (15 U.S.C. 77r(b)(2)), that is not otherwise exempt under IC 23-19-2-1 through IC 23-19-2-3, a rule adopted or order issued under this article may require the filing of any or all of the following records:

- (1) Before the initial offer of a federal covered security in this state, all records that are part of a federal registration statement filed with the Securities and Exchange Commission under the Securities Act of 1933 and a consent to service of process complying with IC 23-19-6-11 signed by the issuer and the payment of a fee of:

- (A) five hundred dollars (\$500) for an issuer with net assets not exceeding ten million dollars (\$10,000,000); or

The fee required in subdivision (1) shall be applied as a credit against the fee required under this subdivision.

(b) A notice filing under subsection (a) is effective for one (1) year commencing on the later of the notice filing or the effectiveness of the offering filed with the Securities and Exchange Commission. On or before expiration, the issuer may renew a notice filing by filing a copy of those records filed by the issuer with the Securities and Exchange Commission that are required by rule or order under this article to be filed and by paying a renewal fee of two hundred fifty dollars (\$250). A previously filed consent to service of process complying with IC 23-19-6-11 may be incorporated by reference in a renewal. A renewed notice filing becomes effective upon the expiration of the filing being renewed.

(c) With respect to a security that is a federal covered security under Section 18(b)(4)(D) of the Securities Act of 1933 (15 U.S.C. 77r(b)(4)(D)), a rule under this article may require a notice filing by or on behalf of an issuer to include a copy of Form D, including the Appendix, as promulgated by the Securities and Exchange Commission, and a consent to service of process complying with IC 23-19-6-11 signed by the issuer not later than fifteen (15) days after the first sale of the federal covered security in this state.

(d) Except with respect to a federal security under Section 18(b)(1) of the Securities Act of 1933 (15 U.S.C. 77r(b)(1)), if the commissioner finds that there is a failure to comply with a notice or fee requirement of this section, the commissioner may issue a stop order suspending the offer and sale of a federal covered security in this state. If the deficiency is corrected, the stop order is void as of the time of its issuance and no penalty may be imposed by the commissioner.

Sec. 3. (a) A security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination under this section.

(b) A registration statement and accompanying records under this section must contain or be accompanied by the following records in addition to the information specified in section 5 of this chapter and a consent to service of process complying with IC 23-19-6-11:

(1) A copy of the latest form of prospectus filed under the Securities Act of 1933.

(2) A copy of the articles of incorporation and bylaws or their substantial equivalents currently in effect; a copy of any agreement with or among underwriters; a copy of any indenture or other instrument governing the issuance of the security to be registered; and a specimen, copy, or description of the security that is required by rule adopted or order issued under this article.

(3) Copies of any other information or any other records filed by the issuer under the Securities Act of 1933 requested by the commissioner.

(4) An undertaking to forward each amendment to the federal prospectus, other than an amendment that delays the effective date of the registration statement, promptly after it is filed with the Securities and Exchange Commission.

(c) A registration statement under this section becomes effective simultaneously with or subsequent to the federal registration statement when all the following conditions are satisfied:

(1) A stop order under subsection (d) or section 6 of this chapter or issued by the Securities and Exchange Commission is not in effect and a proceeding is not pending against the issuer under section 6 of this chapter.

If the notice is not timely received, the commissioner may issue a stop order, without prior notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this section. The commissioner

shall promptly notify the registrant of an order by telegram, telephone, or electronic means and promptly confirm this notice by a record. If the registrant subsequently complies with the notice requirements of this section, the stop order is void as of the date of its issuance.

(e) If the federal registration statement becomes effective before each of the conditions in this section is satisfied or is waived by the commissioner, the registration statement is automatically effective under this article when all the conditions are satisfied or waived. If the registrant notifies the commissioner of the date when the federal registration statement is expected to become effective, the commissioner shall promptly notify the registrant by telegram, telephone, or electronic means and promptly confirm this notice by a record, indicating whether all the conditions are satisfied or waived and whether the commissioner intends the institution of a proceeding under section 6 of this chapter. The notice by the commissioner does not preclude the institution of such a proceeding.

statement or the last amendment other than a price amendment is filed, if:

- (1) a stop order is not in effect and a proceeding is not pending under section 6 of this chapter;
- (2) the commissioner has not issued an order under section 6 of this chapter delaying effectiveness; and
- (3) the applicant or registrant has not requested that effectiveness be delayed.

(d) The commissioner may delay effectiveness once for not more than ninety (90) days if the commissioner determines the registration statement is not complete in all material respects and promptly notifies the applicant or registrant of that determination. The commissioner may also delay effectiveness for a further period of not more than thirty (30) days if the commissioner determines that the delay is necessary or appropriate.

(e) A rule adopted or order issued under this article may require as a condition of registration under this section that a prospectus containing a specified part of the information or record specified in subsection (b) be sent or given to each person to which an offer is made, before or concurrently with the earliest of:

- (1) the first offer made in a record to the person otherwise than by means of a public advertisement, by or for the account of the issuer or another person on whose behalf the offering is being made or by an underwriter or broker-dealer that is offering part of an unsold allotment or subscription taken by the person as a participant in the distribution;

If a registration statement is withdrawn before the effective date or a preeffective stop order is issued under section 6 of this chapter, the commissioner shall retain two hundred fifty dollars (\$250) of the fee.

**C
o
p

(c) A registration statement filed under section 3 or 4 of this chapter must specify:

- (1) the amount of securities to be offered in this state;
- (2) the states in which a registration statement or similar record in connection with the offering has been or is to be filed; and
- (3) any adverse order, judgment, or decree issued in connection with the offering by a state securities regulator, the Securities and Exchange Commission, or a court.

(d) A record filed under this article or the predecessor act within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the record is currently accurate.

(e) In the case of a nonissuer distribution, information or a record may not be required under subsection (i) or section 4 of this chapter, unless it is known to the person filing the registration statement or to the person on whose behalf the distribution is to be made or unless it can be furnished by those persons without unreasonable effort or expense.

(f) A rule adopted or order issued under this article may require as a condition of registration that a security issued within the previous five (5) years or to be issued to a promoter for a consideration substantially less than the public offering price or to a person for a consideration other than cash be deposited in escrow and that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The conditions of any escrow or impoundment required under this subsection may be established by rule adopted or order issued under this article, but the commissioner may not reject a depository institution solely because of its location in another state.

(g) A rule adopted or order issued under this article may require as a condition of registration that a security registered under this article be sold only on a specified form of subscription or sale contract and that a signed or conformed copy of each contract be filed under this article or preserved for a period specified by the rule or order, which may not be longer than five (5) years.

(h) Except while a stop order is in effect under section 6 of this chapter, a registration statement is effective for one (1) year after its effective date, or for any longer period designated in an order under this article during which the security is being offered or

distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by an underwriter or broker-dealer that is still offering part of an unsold allotment or subscription taken as a participant in the distribution. For the purposes of a nonissuer transaction, all outstanding securities of the same class identified in the registration statement as a security registered under this article are considered to be registered while the registration statement is effective. If any securities of the same class are outstanding, a registration statement may not be withdrawn until one (1) year after its effective date. A registration statement may be withdrawn only with the approval of the commissioner.

(i) While a registration statement is effective, a rule adopted or order issued under this article may require the person that filed the registration statement to file reports, not more often than quarterly, to keep the information or other record in the registration statement reasonably current and to disclose the progress of the offering.

(j) A registration statement may be amended after its effective date. The posteffective amendment becomes effective when the commissioner so orders. If a posteffective amendment is made to increase the number of securities specified to be offered or sold, the person filing the amendment shall pay the greater of one hundred dollars (\$100) or the difference between the amount originally paid and the amount the registration fee would have been if all the securities to be offered had been registered. A posteffective amendment relates back to the date of the offering of the additional securities being registered if, within one (1) year after the date of the sale, the amendment is filed and the additional registration fee is paid.

Sec. 6. (a) The commissioner may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, a registration statement if the commissioner finds that the order is in the public interest and that:

- (1) the registration statement as of its effective date or before the effective date in the case of an order denying effectiveness, an amendment under section 5(j) of this chapter as of its effective date, or a report under section 5(i) of this chapter, is incomplete in a material respect or contains a statement that, in the light of the circumstances under which it was made, was false or misleading with respect to a material fact;
- (2) this article, a rule adopted or order issued under this

article, or a condition imposed under this article has been willfully violated, in connection with the offering, by the person filing the registration statement; by the issuer, a partner, officer, or director of the issuer or a person having a similar status or performing a similar function; a promoter of the issuer; by a person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or by an underwriter;

(3) the security registered or sought to be registered is the subject of a permanent or temporary injunction of a court with jurisdiction or an administrative stop order or similar order issued under any federal, foreign, or state law other than this article applicable to the offering, but the commissioner may not institute a proceeding against an effective registration statement under this subdivision more than one (1) year after the date of the order or injunction on which it is based, and the commissioner may not issue an order under this subdivision on the basis of an order or injunction issued under the securities act of another state unless the order or injunction was based on conduct that would constitute, as of the date of the order, a ground for a stop order under this section;

(4) the issuer's enterprise or method of business includes or would include activities that are unlawful where performed;

(5) with respect to a security sought to be registered under section 3 of this chapter, there has been a failure to comply with the undertaking required by section 3(b)(4) of this chapter;

(6) the applicant or registrant has not paid the filing fee, but the commissioner shall void the order if the deficiency is corrected; or

(7) the offering:

(A) will work or tend to work a fraud upon purchasers or would so operate; or

(B) has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensation, or promoters' profits or participations, or unreasonable amounts or kinds of options.

(b) To the extent practicable, the commissioner by rule adopted or order issued under this article shall publish standards that

provide notice of conduct that violates subsection (a)(7).

(c) The commissioner may not institute a stop order proceeding against an effective registration statement on the basis of conduct or a transaction known to the commissioner when the registration statement became effective unless the proceeding is instituted within thirty (30) days after the registration statement became effective.

(d) The commissioner may summarily revoke, deny, postpone, or suspend the effectiveness of a registration statement pending final determination of an administrative proceeding. Upon the issuance of the order, the commissioner shall promptly notify each person specified in subsection (e) that the order has been issued, the reasons for the revocation, denial, postponement, or suspension, and that within fifteen (15) days after the receipt of a request in a record from the person the matter will be scheduled for a hearing. If a hearing is not requested and none is ordered by the commissioner within thirty (30) days after the date of service of the order, the order becomes final. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing for each person subject to the order, may modify or vacate the order or extend the order until final determination.

(e) A stop order may not be issued under this section without:

- (1) appropriate notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be or have been offered;
- (2) an opportunity for hearing; and
- (3) findings of fact and conclusions of law in a record.

(f) The commissioner may modify or vacate a stop order issued under this section if the commissioner finds that the conditions that caused its issuance have changed or that it is necessary or appropriate in the public interest or for the protection of investors.

Sec. 7. The commissioner may waive or modify, in whole or in part, any or all of the requirements of sections 2, 3, and 4(b) of this chapter or the requirement of any information or record in a registration statement or in a periodic report filed under section 5(i) of this chapter.

(7) An individual who represents an issuer in connection with the purchase of the issuer's own securities.

(8) An individual who represents an issuer and who restricts participation to performing clerical or ministerial acts.

(9) Any other individual exempted by rule adopted or order issued under this article.

(c) The registration of an agent is effective only while the agent is employed by or associated with a broker-dealer registered under this article or an issuer that is offering, selling, or purchasing its securities in this state.

(b) The following persons are exempt from the registration requirement of subsection (a):

(1) A person without a place of business in this state that is registered under the securities act of the state in which the person has its principal place of business if its only clients in this state are:

(3) Any other person exempted by rule adopted or order issued under this article.

(c) It is unlawful for an investment adviser, directly or indirectly, to employ or associate with an individual to engage in an activity related to investment advice in this state if the registration of the individual is suspended or revoked or the individual is barred from employment or association with an investment adviser, federal covered investment adviser, or broker-dealer by an order under this article, the Securities and Exchange Commission, or a self-regulatory organization, unless the investment adviser did not know, and in the exercise of reasonable care could not have known, of the suspension, revocation, or bar. (2) Any other individual exempted by rule adopted or order issued under this article.

(c) The registration of an investment adviser representative is not effective while the investment adviser representative is not employed by or associated with an investment adviser registered under this article or a federal covered investment adviser that has made or is required to make a notice filing under section 5 of this chapter.

(d) An individual may transact business as an investment adviser representative for more than one (1) investment adviser or federal covered investment adviser unless a rule adopted or order issued under this article prohibits or limits an individual from acting as an investment adviser representative for more than one (1) investment adviser or federal covered investment adviser.

(e) It is unlawful for an individual acting as an investment adviser representative, directly or indirectly, to conduct business in this state on behalf of an investment adviser or a federal covered investment adviser if the registration of the individual as an investment adviser representative is suspended or revoked or the individual is barred from employment or association with an investment adviser or a federal covered investment adviser by an order under this article, the Securities and Exchange Commission, or a self-regulatory organization. Upon request from a federal covered investment adviser and for good cause, the commissioner, by order issued, may waive, in whole or in part, the application of the requirements of this subsection to the federal covered investment adviser.

(f) An investment adviser registered under this article, a federal covered investment adviser that has filed a notice under section 5 of this chapter, or a broker-dealer registered under this article is not required to employ or associate with an individual as an investment adviser representative if the only compensation paid to the individual for a referral of investment advisory clients is paid to an investment adviser registered under this article, a federal covered investment adviser who has filed a notice under section 5 of this chapter, or a broker-dealer registered under this article with which the individual is employed or associated as an investment adviser representative.

Sec. 5. (a) Except with respect to a federal covered investment adviser described in subsection (b), it is unlawful for a federal covered investment adviser to transact business in this state as a federal covered investment adviser unless the federal covered investment adviser complies with subsection (c).

(b) The following federal covered investment advisers are not required to comply with subsection (c):

(1) A federal covered investment adviser without a place of business in this state if its only clients in this state are:

(A) federal covered investment advisers, investment advisers registered under this article, and broker-dealers registered under this article;

(B) institutional investors;

(C) bona fide preexisting clients whose principal places of residence are not in this state; or

(D) other clients specified by rule adopted or order issued under this article.

(2) A federal covered investment adviser without a place of business in this state if the person has had, during the preceding twelve (12) months, not more than five (5) clients that are resident in this state in addition to those specified under subdivision (1).

(3) Any other person excluded by rule adopted or order issued under this article.

(c) A person acting as a federal covered investment adviser, not excluded under subsection (b), shall file a notice, a consent to service of process complying with IC 23-19-6-11, and such records as have been filed with the Securities and Exchange Commission under the Investment Advisers Act of 1940 required by rule adopted or order issued under this article and pay the fees specified in section 10(e) of this chapter.

(d) The notice under subsection (c) becomes effective upon its filing.

Sec. 6. (a) A person shall register as a broker-dealer, agent, investment adviser, or investment adviser representative by filing an application and a consent to service of process complying with IC 23-19-6-11, and paying the fee specified in section 10 of this chapter and any reasonable fees charged by the designee of the commissioner for processing the filing. The application must contain:

(1) the information or record required for the filing of a uniform application; and

**C
o
p

(2) upon request by the commissioner, any other financial or other information or record that the commissioner determines is appropriate.

(b) If the information or record contained in an application filed under subsection (a) is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(c) If an order is not in effect and a proceeding is not pending under section 12 of this chapter, registration becomes effective at noon on the forty-fifth day after a completed application is filed, unless the registration is denied. A rule adopted or order issued under this article may set an earlier effective date or may defer the effective date until noon on the forty-fifth day after the filing of any amendment completing the application.

(d) A registration is effective until midnight on December 31 of the year for which the application for registration is filed. Unless an order is in effect under section 12 of this chapter, a registration may be automatically renewed each year by filing such records as are required by rule adopted or order issued under this article, by paying the fee specified in section 10 of this chapter, and by paying costs charged by the designee of the commissioner for processing the filings.

(e) A rule adopted or order issued under this article may impose other conditions, not inconsistent with the National Securities Markets Improvement Act of 1996. An order issued under this article may waive, in whole or in part, specific requirements in connection with registration as are in the public interest and for the protection of investors.

Sec. 7. (a) A broker-dealer or investment adviser may succeed to the current registration of another broker-dealer or investment adviser or a notice filing of a federal covered investment adviser, and a federal covered investment adviser may succeed to the current registration of an investment adviser or notice filing of another federal covered investment adviser, by filing as a successor an application for registration under section 1 or 3 of this chapter or a notice under section 5 of this chapter for the unexpired portion of the current registration or notice filing.

(b) A broker-dealer or investment adviser that changes its form of organization or state of incorporation or organization may continue its registration by filing an amendment to its registration if the change does not involve a material change in its financial condition or management. The amendment becomes effective when

**C
o
p

filed or on a date designated by the registrant in its filing. The new organization is a successor to the original registrant for the purposes of this article. If there is a material change in financial condition or management, the broker-dealer or investment adviser shall file a new application for registration. A predecessor registered under this article shall stop conducting its securities business other than winding down transactions and shall file for withdrawal of broker-dealer or investment adviser registration within forty-five (45) days after filing its amendment to effect succession.

(c) A broker-dealer or investment adviser that changes its name may continue its registration by filing an amendment to its registration. The amendment becomes effective when filed or on a date designated by the registrant.

(d) A change of control of a broker-dealer or investment adviser may be made in accordance with a rule adopted or order issued under this article.

Sec. 8. (a) If an agent registered under this article terminates employment by or association with a broker-dealer or issuer, or if an investment adviser representative registered under this article terminates employment by or association with an investment adviser or federal covered investment adviser, or if either registrant terminates activities that require registration as an agent or investment adviser representative, the broker-dealer, issuer, investment adviser, or federal covered investment adviser shall promptly file a notice of termination. If the registrant learns that the broker-dealer, issuer, investment adviser, or federal covered investment adviser has not filed the notice, the registrant may do so.

(b) If an agent registered under this article terminates employment by or association with a broker-dealer registered under this article and begins employment by or association with another broker-dealer registered under this article, or if an investment adviser representative registered under this article terminates employment by or association with an investment adviser registered under this article or a federal covered investment adviser that has filed a notice under section 5 of this chapter and begins employment by or association with another investment adviser registered under this article or a federal covered investment adviser that has filed a notice under section 5 of this chapter, then upon the filing by or on behalf of the registrant, within thirty (30) days after the termination, of an

C
O

application for registration that complies with the requirement of section 6(a) of this chapter and payment of the filing fee required under section 10 of this chapter, the registration of the agent or investment adviser representative is:

(1) immediately effective as of the date of the completed filing, if the agent's Central Registration Depository record or successor record or the investment adviser representative's Investment Adviser Registration Depository record or successor record does not contain a new or amended disciplinary disclosure within the previous twelve (12) months; or

(2) temporarily effective as of the date of the completed filing, if the agent's Central Registration Depository record or successor record or the investment adviser representative's Investment Adviser Registration Depository record or successor record contains a new or amended disciplinary disclosure within the preceding twelve (12) months.

(c) The commissioner may withdraw a temporary registration if there are or were grounds for discipline as specified in section 12 of this chapter and the commissioner does so within thirty (30) days after the filing of the application. If the commissioner does not withdraw the temporary registration within the thirty (30) day period, registration becomes automatically effective on the thirty-first day after filing.

(d) The commissioner may prevent or suspend the effectiveness of a transfer of an agent or investment adviser representative under subsection (b)(1) or (b)(2) based on the public interest and the protection of investors. The commissioner, by order, may also extend a temporary registration to permit further time to review the qualifications of an applicant.

(e) If the commissioner determines that a registrant or applicant for registration is no longer in existence or has ceased to act as a broker-dealer, agent, investment adviser, or investment adviser representative, or is the subject of an adjudication of incapacity or is subject to the control of a committee, conservator, or guardian, or cannot reasonably be located, a rule adopted or order issued under this article may require the registration be canceled or terminated or the application denied. The commissioner may reinstate a canceled or terminated registration, with or without hearing, and may make the registration retroactive.

Sec. 9. Withdrawal of registration by a broker-dealer, agent, investment adviser, or investment adviser representative becomes

**C
o
p

effective sixty (60) days after the filing of the application to withdraw or within any shorter period as provided by rule adopted or order issued under this article unless a revocation or suspension proceeding is pending when the application is filed. If a proceeding is pending, withdrawal becomes effective when and upon such conditions as required by rule adopted or order issued under this article. The commissioner may institute a revocation or suspension proceeding under section 12 of this chapter within one (1) year after the withdrawal became effective automatically and issue a revocation or suspension order as of the last date on which registration was effective if a proceeding is not pending.

Sec. 10. (a) A person shall pay a fee of two hundred fifty dollars (\$250) when initially filing an application for registration as a broker-dealer and a fee of one hundred twenty-five dollars (\$125) when filing a renewal of registration as a broker-dealer. If the filing results in a denial or withdrawal, the commissioner shall retain all of the fee.

(b) The fee for an individual is twenty-five dollars (\$25) when filing an application for registration as an agent, a fee of twenty-five dollars (\$25) when filing a renewal of registration as an agent, and a fee of twenty-five dollars (\$25) when filing for a change of registration as an agent. If the filing results in a denial or withdrawal, the commissioner shall retain all of the fee.

(c) A person shall pay a fee of one hundred dollars (\$100) when filing an application for registration as an investment adviser and a fee of fifty dollars (\$50) when filing a renewal of registration as an investment adviser. If the filing results in a denial or withdrawal, the commissioner shall retain all of the fee.

(d) The fee for an individual is twenty-five dollars (\$25) when filing an application for registration as an investment adviser representative, a fee of twenty-five dollars (\$25) when filing a renewal of registration as an investment adviser representative, and a fee of twenty-five dollars (\$25) when filing a change of registration as an investment adviser representative. If the filing results in a denial or withdrawal, the commissioner shall retain all of the fee.

(e) A federal covered investment adviser required to file a notice under section 5 of this chapter shall pay an initial fee of fifty dollars (\$50) and an annual notice fee of fifty dollars (\$50).

(f) A person required to pay a filing or notice fee under this section may transmit the fee through or to a designee as a rule or order provides under this article.

**C

(g) An investment adviser representative who is registered as an agent under section 2 of this chapter and who represents a person that is both registered as a broker-dealer under section 1 of this chapter and registered as an investment adviser under section 3 of this chapter or required as a federal covered investment adviser to make a notice filing under section 5 of this chapter is not required to pay an initial or annual registration fee for registration as an investment adviser representative.

Sec. 11. (a) Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a), a rule adopted or order issued under this article may establish minimum financial requirements for broker-dealers registered or required to be registered under this article and investment advisers registered or required to be registered under this article.

(b) Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(h)) or Section 222(b) of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a(b)), a broker-dealer registered or required to be registered under this article and an investment adviser registered or required to be registered under this article shall file such financial reports as are required by a rule adopted or order issued under this article. If the information contained in a record filed under this subsection is or becomes inaccurate or incomplete in a material respect, the registrant shall promptly file a correcting amendment.

(c) Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a):

- (1) a broker-dealer registered or required to be registered under this article and an investment adviser registered or required to be registered under this article shall make and maintain the accounts, correspondence, memoranda, papers, books, and other records required by rule adopted or order issued under this article;
- (2) broker-dealer records required to be maintained under subdivision (1) may be maintained in any form of data storage acceptable under Section 17(a) of the Securities Exchange Act of 1934 (15 U.S.C. 78q(a)) if they are readily accessible to the commissioner; and
- (3) investment adviser records required to be maintained under subdivision (1) may be maintained in any form of data storage required by rule adopted or order issued under this

article.

(d) The records of a broker-dealer registered or required to be registered under this article and of an investment adviser registered or required to be registered under this article are subject to such reasonable periodic, special, or other audits or inspections by a representative of the commissioner, within or outside this state, as the commissioner considers necessary or appropriate in the public interest and for the protection of investors. An audit or inspection may be made at any time and without prior notice. The commissioner may copy, and remove for audit or inspection copies of, all records the commissioner reasonably considers necessary or appropriate to conduct the audit or inspection. The commissioner may assess a reasonable charge for conducting an audit or inspection under this subsection.

(e) Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a), a rule adopted or order issued under this article may require a broker-dealer or investment adviser that has custody of or discretionary authority over funds or securities of a customer or client to obtain insurance or post a bond or other satisfactory form of security in an amount not to exceed fifty thousand dollars (\$50,000). The commissioner may determine the requirements of the insurance, bond, or other satisfactory form of security. Insurance or a bond or other satisfactory form of security may not be required of a broker-dealer registered under this article whose net capital exceeds, or of an investment adviser registered under this article whose minimum financial requirements exceed, the amounts required by rule or order under this article. The insurance, bond, or other satisfactory form of security must permit an action by a person to enforce any liability on the insurance, bond, or other satisfactory form of security if instituted within the time limitations in IC 23-19-5-9(g).

(f) Subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(h)) or Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a), an agent may not have custody of funds or securities of a customer except under the supervision of a broker-dealer and an investment adviser representative may not have custody of funds or securities of a client except under the supervision of an investment adviser or a federal covered investment adviser. A rule adopted or order issued under this article may prohibit, limit, or impose conditions on a broker-dealer

regarding custody of funds or securities of a customer and on an investment adviser regarding custody of securities or funds of a client.

(g) With respect to an investment adviser registered or required to be registered under this article, a rule adopted or order issued under this article may require that information or other records be furnished or disseminated to clients or prospective clients in this state as necessary or appropriate in the public interest and for the protection of investors and advisory clients.

(h) A rule adopted or order issued under this article may require an individual registered under section 2 or 4 of this chapter to participate in a continuing education program approved by the Securities and Exchange Commission and administered by a self-regulatory organization or, in the absence of such a program, a rule adopted or order issued under this article may require continuing education for an individual registered under section 4 of this chapter.

(i) The commissioner may annually select as many as twenty-five percent (25%) of all Indiana home and branch offices of registered broker-dealers for completion of compliance reports. Each broker-dealer office that is selected shall file its compliance report according to rules adopted by the commissioner under this article not more than ninety (90) days after being notified of selection under this subsection. No charges or other examination fees may be assessed against a registered broker-dealer as a result of the examination of a compliance report filed under this subsection unless the examination results in an investigation or examination made under IC 23-19-6-2(a).

Sec. 12. (a) If the commissioner finds that the order is in the public interest and subsection (d) authorizes the action, an order issued under this article may deny an application, or may condition or limit registration, of an applicant to be a broker-dealer, agent, investment adviser, or investment adviser representative and, if the applicant is a broker-dealer or investment adviser, of a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control of the broker-dealer or investment adviser.

(b) If the commissioner finds that the order is in the public interest and subsection (d) authorizes the action, an order issued under this article may revoke, suspend, condition, or limit the registration of a registrant and, if the registrant is a broker-dealer or investment adviser, of a partner, officer, director, or person

having a similar status or performing similar functions, or a person directly or indirectly in control of the broker-dealer or investment adviser. However, the commissioner may not:

(1) institute a revocation or suspension proceeding under this subsection based on an order issued under a law of another state that is reported to the commissioner or a designee of the commissioner more than one (1) year after the date of the order on which it is based; or

(2) under subsection (d)(5)(A) and (d)(5)(B), issue an order on the basis of an order issued under the securities act of another state unless the other order was based on conduct for which subsection (d) would authorize the action had the conduct occurred in this state.

(c) If the commissioner finds that the order is in the public interest and subsection (d)(1), (d)(2), (d)(3), (d)(4), (d)(5), (d)(6), (d)(8), (d)(9), (d)(10), (d)(12), or (d)(13) authorizes the action, an order under this article may censure, impose a bar, or impose a civil penalty in an amount not to exceed a maximum of ten thousand dollars (\$10,000) per violation on a registrant, and, if the registrant is a broker-dealer or investment adviser, a partner, officer, director, or person having a similar status or performing similar functions, or a person directly or indirectly in control of the broker-dealer or investment adviser.

(d) A person may be disciplined under subsections (a) through (c) if the person:

(1) has filed an application for registration in this state under this article or the predecessor act within the previous ten (10) years, which, as of the effective date of registration or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained a statement that, in light of the circumstances under which it was made, was false or misleading with respect to a material fact;

(2) knowingly violated or knowingly failed to comply with this article or the predecessor act or a rule adopted or order issued under this article or the predecessor act within the previous ten (10) years;

(3) has been convicted of a felony or within the previous ten (10) years has been convicted of a misdemeanor involving a security, a commodity future or option contract, or an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance;

(4) is enjoined or restrained by a court with jurisdiction in an action instituted by the commissioner under this article or the predecessor act, a state, the Securities and Exchange Commission, or the United States from engaging in or continuing an act, practice, or course of business involving an aspect of a business involving securities, commodities, investments, franchises, insurance, banking, or finance;

(5) is the subject of an order, issued after notice and opportunity for hearing, by:

(A) the securities, depository institution, insurance, or other financial services regulator of a state or by the Securities and Exchange Commission or other federal agency denying, revoking, barring, or suspending registration as a broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative;

(B) the securities regulator of a state or the Securities and Exchange Commission against a broker-dealer, agent, investment adviser, investment adviser representative, or federal covered investment adviser;

(C) the Securities and Exchange Commission or a self-regulatory organization suspending or expelling the registrant from membership in the self-regulatory organization;

(D) a court adjudicating a United States Postal Service fraud order;

(E) the insurance regulator of a state denying, suspending, or revoking registration as an insurance agent;

(F) a depository institution regulator suspending or barring the person from the depository institution business; or

(G) any state regulatory body or organization governing real estate brokers or sales persons denying, suspending, or revoking a person's registration or license in the real estate industry;

(6) is the subject of an adjudication or determination, after notice and opportunity for hearing, by the Securities and Exchange Commission, the Commodity Futures Trading Commission, the Federal Trade Commission, a federal depository institution regulator, or a depository institution, insurance, or other financial services regulator of a state that the person willfully violated the Securities Act of 1933, the

Securities Exchange Act of 1934, the Investment Advisers Act of 1940, the Investment Company Act of 1940, or the Commodity Exchange Act, the securities or commodities law of a state, or a federal or state law under which a business involving investments, franchises, insurance, banking, or finance is regulated;

(7) is insolvent, either because the person's liabilities exceed the person's assets or because the person cannot meet the person's obligations as they mature, but the commissioner may not enter an order against an applicant or registrant under this subdivision without a finding of insolvency as to the applicant or registrant;

(8) refuses to allow or otherwise impedes the commissioner from conducting an audit or inspection under section 11(d) of this chapter or refuses access to a registrant's office to conduct an audit or inspection under section 11(d) of this chapter;

(9) has failed to reasonably supervise an agent, investment adviser representative, or other individual, if the agent, investment adviser representative, or other individual was subject to the person's supervision and committed a violation of this article or the predecessor act or a rule adopted or order issued under this article or the predecessor act within the previous ten (10) years;

(10) has not paid the proper filing fee within thirty (30) days after having been notified by the commissioner of a deficiency, but the commissioner shall vacate an order under this subdivision when the deficiency is corrected;

(11) after notice and opportunity for a hearing, has been found within the previous ten (10) years:

(A) by a court with jurisdiction to have willfully violated the laws of a foreign jurisdiction under which the business of securities, commodities, investment, franchises, insurance, banking, or finance is regulated;

(13) has engaged in dishonest or unethical practices in the securities, commodities, investment, franchise, banking, finance, or insurance business within the previous ten (10) years;

(14) is not qualified on the basis of factors such as training, experience, and knowledge of the securities business. However, in the case of an application by an agent for a broker-dealer that is a member of a self-regulatory organization or by an individual for registration as an investment adviser representative, a denial order may not be based on this subdivision if the individual has successfully completed all examinations required by subsection (e). The commissioner may require an applicant for registration under section 2 or 4 of this chapter who has not been registered in a state within the two (2) years preceding the filing of an application in this state to successfully complete an examination; or

(15) is on the most recent tax warrant list supplied to the commissioner by the department of state revenue.

(e) A rule adopted or order issued under this article may require that an examination, including an examination developed or approved by an organization of securities regulators, be successfully completed by a class of individuals or all individuals. An order issued under this article may waive, in whole or in part, an examination as to an individual and a rule adopted under this article may waive, in whole or in part, an examination as to a class of individuals if the commissioner determines that the examination is not necessary or appropriate in the public interest and for the protection of investors.

(f) The commissioner may suspend or deny an application summarily; restrict, condition, limit, or suspend a registration; or censure, bar, or impose a civil penalty on a registrant before final determination of an administrative proceeding. Upon the issuance of an order, the commissioner shall promptly notify each person subject to the order that the order has been issued, the reasons for the action, and that within fifteen (15) days after the receipt of a request in a record from the person the matter will be scheduled

for a hearing. If a hearing is not requested and none is ordered by the commissioner within thirty (30) days after the date of service of the order, the order becomes final by operation of law. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend the order until final determination.

(g) An order may not be issued under this section, except under subsection (f), without:

- (1) appropriate notice to the applicant or registrant;
- (2) opportunity for hearing; and
- (3) findings of fact and conclusions of law in a record.

(h) A person that controls, directly or indirectly, a person not in compliance with this section may be disciplined by order of the commissioner under subsections (a) through (c) to the same extent as the noncomplying person, unless the controlling person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct that is a ground for discipline under this section.

(i) The commissioner may not institute a proceeding under subsection (a), (b), or (c) based solely on material facts actually known by the commissioner unless an investigation or the proceeding is instituted within one (1) year after the commissioner actually acquires knowledge of the material facts.

(j) All fines and penalties collected under this section shall be deposited into the securities division enforcement account as established by IC 23-19-6-1(f).

Chapter 5. Fraud and Liabilities

Sec. 1. It is unlawful for a person, in connection with the offer, sale, or purchase of a security, directly or indirectly:

- (1) to employ a device, scheme, or artifice to defraud;
- (2) to make an untrue statement of a material fact or to omit to state a material fact necessary in order to make the statement made, in the light of the circumstances under which they were made, not misleading; or
- (3) to engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.

Sec. 2. (a) It is unlawful for a person that advises others for compensation, either directly or indirectly or through publications or writings, as to the value of securities or the advisability of investing in, purchasing, or selling securities or that, for

**C
o
p

compensation and as part of a regular business, issues or promulgates analyses or reports relating to securities, or that receives compensation to solicit, offer, or negotiate for the sale of or for selling investment advice:

(1) to employ a device, scheme, or artifice to defraud another person; or

(2) to engage in an act, practice, or course of business that operates or would operate as a fraud or deceit upon another person.

(b) A rule adopted under this article may define an act, practice, or course of business of an investment adviser or an investment adviser representative, other than a supervised person of a federal covered investment adviser, as fraudulent, deceptive, or manipulative, and prescribe means reasonably designed to prevent investment advisers and investment adviser representatives, other than supervised persons of a federal covered investment adviser, from engaging in acts, practices, and courses of business defined as fraudulent, deceptive, or manipulative.

(c) A rule adopted under this article may specify the contents of an investment advisory contract entered into, extended, or renewed by an investment adviser.

Sec. 3. (a) In a civil action or administrative proceeding under this article, a person claiming an exemption, exception, preemption, or exclusion has the burden to prove the applicability of the claim.

(b) In a criminal proceeding under this article, a person claiming an exemption, exception, preemption, or exclusion has the burden of going forward with evidence of the claim.

Sec. 4. (a) Except as otherwise provided in subsection (b), a rule adopted or order issued under this article may require the filing of a prospectus, a pamphlet, a circular, a form letter, an advertisement, sales literature, or other advertising record relating to a security or investment advice, addressed or intended for distribution to prospective investors, including clients or prospective clients of a person registered or required to be registered as an investment adviser under this article.

(b) This section does not apply to sales and advertising literature specified in subsection (a) that relates to a federal covered security, a federal covered investment adviser, or a security or transaction exempted by IC 23-19-2-1, IC 23-19-2-2, or IC 23-19-2-3 except as required under IC 23-19-2-1(7).

Sec. 5. It is unlawful for a person to make or cause to be made,

**C
O
P

in a record that is used in an action or proceeding or filed under this article, a statement that, at the time and in the light of the circumstances under which it is made, is false or misleading in a material respect, or, in connection with the statement, to omit to state a material fact necessary to make the statement made, in the light of the circumstances under which it was made, not false or misleading.

Sec. 6. The filing of an application for registration, a registration statement, a notice filing under this article, the registration of a person, the notice filing by a person, or the registration of a security under this article does not constitute a finding by the commissioner that a record filed under this article is true, complete, and not misleading. The filing or registration or the availability of an exemption, exception, preemption, or exclusion for a security or a transaction does not mean that the commissioner has passed upon the merits or qualifications of, or recommended or given approval to, a person, security, or transaction. It is unlawful to make, or cause to be made, to a purchaser, customer, client, or prospective purchaser, customer, or client a representation inconsistent with this section.

Sec. 7. A broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative is not liable to another broker-dealer, agent, investment adviser, federal covered investment adviser, or investment adviser representative for defamation relating to a statement that is contained in a record required by the commissioner or designee of the commissioner, the Securities and Exchange Commission, or a self-regulatory organization, unless the person knew, or should have known at the time that the statement was made, that it was false in a material respect or the person acted in reckless disregard of the statement's truth or falsity.

Sec. 8. (a) A person who knowingly violates this article, or a rule adopted under this article, except section 4 of this chapter or the notice filing requirements of IC 23-19-3-2 or IC 23-19-4-5, commits a Class C felony.

(b) It is the duty of a prosecuting attorney, as well as of the attorney general, to assist the commissioner upon the commissioner's request in the prosecution to final judgment of a violation of the penal provisions of this article. If the commissioner determines that an action based on the securities division's investigations is meritorious:

(1) the commissioner or a designee empowered by the

C
O
P

commissioner shall refer the facts drawn from the investigation to the prosecuting attorney of the judicial circuit in which the crime may have been committed;

(2) the commissioner and the securities division shall assist the prosecuting attorney in prosecuting an action under this section, which may include a securities division attorney serving as a special deputy prosecutor appointed by the prosecuting attorney;

(3) a prosecuting attorney to whom facts concerning fraud are referred under subdivision (1) may refer the matter to the attorney general;

(4) if a matter has been referred to the attorney general under subdivision (3), the attorney general may:

(A) file an information in a court with jurisdiction over the matter in the county in which the offense is alleged to have been committed; and

(B) prosecute the alleged offense; and

(5) if a matter has been referred to the attorney general under subdivision (3), the commissioner and the securities division shall assist the attorney general in prosecuting an action under this section, which may include a securities division attorney serving as a special deputy attorney general appointed by the attorney general.

(c) This article does not limit the power of this state to punish a person for conduct that constitutes a crime under other laws of this state.

Sec. 9. (a) A person is liable to the purchaser if the person sells a security in violation of this article, including a violation of IC 23-19-4-12(d)(9) or IC 23-19-4-12(d)(13). It is a defense if the person selling the security sustains the burden of proof that either the person did not know, and in the exercise of reasonable care could not have known, of the violation or the purchaser knowingly participated in the violation. An action under this subsection is governed by the following:

(1) The purchaser may maintain an action to recover the consideration paid for the security, less the amount of any income received on the security, and interest at the greater of eight percent (8%) per annum or the rate provided for in the security from the date of the purchase, costs, and reasonable attorney's fees determined by the court or arbitrator, upon the tender of the security, or for actual damages as provided in subdivision (3).

**C
O
P
Y**

(2) The tender referred to in subdivision (1) may be made any time before entry of judgment. Tender requires only notice in a record of ownership of the security and willingness to exchange the security for the amount specified. A purchaser that no longer owns the security may recover actual damages as provided in subdivision (3).

(3) Actual damages in an action arising under this subsection are the amount that would be recoverable upon a tender less the value of the security when the purchaser disposed of it, and interest at the greater of eight percent (8%) per annum or the rate provided for in the security from the date of the purchase, costs, and reasonable attorneys' fees determined by the court or arbitrator.

(b) A person is liable to the seller if the person buys a security in violation of this article, including a violation of IC 23-19-4-12(d)(9) or IC 23-19-4-12(d)(13). It is a defense if the person purchasing the security sustains the burden of proof that either the person did not know, and in the exercise of reasonable care could not have known, of the conduct constituting the violation or the seller knowingly participated in the violation. An action under this subsection is governed by the following:

(1) The seller may maintain an action to recover the security, and any income received on the security, costs, and reasonable attorney's fees determined by the court or arbitrator, upon the tender of the purchase price, or for actual damages as provided in subdivision (3).

(2) The tender referred to in subdivision (1) may be made any time before entry of judgment. Tender requires only notice in a record of the present ability to pay the amount tendered and willingness to take delivery of the security for the amount specified. If the purchaser no longer owns the security, the seller may recover actual damages as provided in subdivision (3).

(3) Actual damages in an action arising under this subsection are the difference between the price at which the security was sold and the value the security would have had at the time of the sale in the absence of the purchaser's conduct causing liability, and interest at the greater of eight percent (8%) per annum or the rate provided for in the security from the date of the sale of the security, costs, and reasonable attorney's fees determined by the court or arbitrator.

(c) A person acting as an investment adviser or investment

**C
o

adviser representative that provides investment advice for compensation in violation of this article is liable to the client. An action under this subsection shall be governed by the following:

(1) For a violation of section 1 or 2 of this chapter, the client may maintain an action to recover the consideration paid for the advice and the amount of any actual damages caused by the fraudulent conduct, interest at the greater of eight percent (8%) per annum or the rate provided for in the security from the date of the fraudulent conduct, costs, and reasonable attorney's fees determined by the court less the amount of any income received as a result of the fraudulent conduct.

(2) For a violation of any other section of this article, the client may maintain an action to recover the consideration paid for the advice, interest at the greater of eight percent (8%) per annum or the rate provided for in the security from the date of payment, costs, and reasonable attorney's fees determined by the court or arbitrator.

(3) This subsection does not apply to a broker-dealer or its agents if the investment advice provided is solely incidental to transacting business as a broker-dealer and no special compensation is received for the investment advice.

(d) The following persons are liable jointly and severally with and to the same extent as persons liable under subsections (a) through (c):

(1) A person that directly or indirectly controls a person liable under subsections (a) and (b), unless the controlling person sustains the burden of proof that the controlling person did not know, and in the exercise of reasonable care could not have known, of the existence of the conduct by reason of which the liability is alleged to exist.

(2) An individual who is a managing partner, executive officer, or director of a person liable under subsections (a) through (c), including an individual having a similar status or performing similar functions, unless the individual sustains the burden of proof that the individual did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist.

(3) An individual who is an employee of or associated with a person liable under subsections (a) through (c) and who materially aids the conduct giving rise to the liability, unless the individual sustains the burden of proof that the individual

**C
o
p

did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which the liability is alleged to exist.

(4) A person that is a broker-dealer, agent, investment adviser, or investment adviser representative that materially aids the conduct giving rise to the liability under subsections (a) through (c), unless the person sustains the burden of proof that the person did not know, and in the exercise of reasonable care could not have known, of the existence of conduct by reason of which liability is alleged to exist.

(e) A person liable under this section has a right of contribution as in cases of contract against any other person liable under this section for the same conduct.

(f) A cause of action under this section survives the death of an individual who might have been a plaintiff or defendant.

(g) Action under this section shall be commenced within three (3) years after discovery by the person bringing the action of a violation of this article, and not afterwards.

(h) A person that has made, or has engaged in the performance of, a contract in violation of this article or a rule adopted or order issued under this article, or that has acquired a purported right under the contract with knowledge of conduct by reason of which its making or performance was in violation of this article, may not base an action on the contract.

(i) A condition, stipulation, or provision binding a person purchasing or selling a security or receiving investment advice to waive compliance with this article or a rule adopted or order issued under this article is void.

(j) The rights and remedies provided by this article are in addition to any other rights or remedies that may exist.

Sec. 10. A purchaser, seller, or recipient of investment advice may not maintain an action under section 9 of this chapter if:

(1) the purchaser, seller, or recipient of investment advice receives in a record, before the action is instituted:

(A) an offer stating the respect in which liability under section 9 of this chapter may have arisen and fairly advising the purchaser, seller, or recipient of investment advice of that person's rights in connection with the offer, and any financial or other information necessary to correct all material misrepresentations or omissions in the information that was required by this article to be furnished to that person at the time of the purchase, sale,

or investment advice;

(B) if the basis for relief under this section may have been a violation described in section 9(a) of this chapter, an offer to repurchase the security for cash, payable on delivery of the security, equal to the consideration paid, and interest at the rate of eight percent (8%) per annum from the date of the purchase, less the amount of any income received on the security, or, if the purchaser no longer owns the security, an offer to pay the purchaser upon acceptance of the offer damages in an amount that would be recoverable upon a tender, less the value of the security when the purchaser disposed of it, and interest at the rate of eight percent (8%) per annum from the date of the purchase in cash equal to the damages computed in the manner provided in this clause;

(C) if the basis for relief under this section may have been a violation described in section 9(b) of this chapter, an offer to tender the security, on payment by the seller of an amount equal to the purchase price paid, less income received on the security by the purchaser and interest from the date of the sale, or if the purchaser no longer owns the security, an offer to pay the seller upon acceptance of the offer, in cash, damages in the amount of the difference between the price at which the security was purchased and the value the security would have had at the time of the purchase in the absence of the purchaser's conduct that may have caused liability, and interest at the rate of eight percent (8%) per annum from the date of the sale; or

(D) if the basis for relief under this section may have been a violation described in section 9(c) of this chapter, an offer to reimburse in cash the consideration paid for the advice and interest from the date of payment;

(2) the offer under subdivision (1) states that it must be accepted by the purchaser, seller, or recipient of investment advice within thirty (30) days after the date of its receipt by the purchaser, seller, or recipient of investment advice or any shorter period, of not less than three (3) days, that the commissioner, by order, specifies;

(3) the offeror has the present ability to pay the amount offered or to tender the security under subdivision (1);

(4) the offer under subdivision (1) is delivered to the purchaser, seller, or recipient of investment advice, or sent in

a manner that ensures receipt by the purchaser, seller, or recipient of investment advice; and

(5) the purchaser, seller, or recipient of investment advice that accepts the offer under subdivision (1) in a record within the period specified under subdivision (2) is paid in accordance with the terms of the offer.

Chapter 6. Administration and Judicial Review

Sec. 1. (a) This article shall be administered by a division of the office of the secretary of state. The secretary of state shall appoint a securities commissioner who shall be responsible for the direction and supervision of the division and the administration of this article under the direction and control of the secretary of state. The salary of the securities commissioner shall be paid out of the funds appropriated for the administration of this article. The commissioner shall serve at the will of the secretary of state.

(b) The secretary of state:

(1) shall employ a chief deputy, attorneys, a senior investigator, a senior accountant, and other deputies, investigators, accountants, clerks, stenographers, and other employees necessary for the administration of this article; and

(2) shall fix their compensation with the approval of the budget agency.

(c) It is unlawful for the commissioner or an officer, employee, or designee of the commissioner to use for personal benefit or the benefit of others records or other information obtained by or filed with the commissioner that are not public under section 7(b) of this chapter. This article does not authorize the commissioner or an officer, employee, or designee of the commissioner to disclose the record or information, except in accordance with section 2, 7(c), or 8 of this chapter.

(d) This article does not create or diminish a privilege or exemption that exists at common law, by statute or rule, or otherwise.

(e) The commissioner may develop and implement investor education initiatives to inform the public about investing in securities, with particular emphasis on the prevention and detection of securities fraud. In developing and implementing these initiatives, the commissioner may collaborate with public and nonprofit organizations with an interest in investor education. The commissioner may accept a grant or donation from a person that is not affiliated with the securities industry or from a nonprofit organization, regardless of whether the organization is affiliated

**C

with the securities industry, to develop and implement investor education initiatives. This subsection does not authorize the commissioner to require participation or monetary contributions of a registrant in an investor education program.

(f) Fees and funds of whatever character accruing from the administration of this article shall be accounted for by the secretary of state and shall be deposited with the treasurer of state to be deposited by the treasurer of the state in either the state general fund or the enforcement account referenced below. Expenses incurred in the administration of this article shall be paid from the state general fund upon appropriation being made for the expenses in the manner provided by law for the making of those appropriations. However, grants and donations under subsection (e), costs of investigations, and civil penalties recovered under sections 3(b) and 4(d) of this chapter shall be deposited by the treasurer of state in a separate account to be known as the securities division enforcement account. The funds in the enforcement account shall be available, with the approval of the budget agency:

- (1) to augment and supplement the funds appropriated for the administration of this article; and
- (2) for grants and awards to nonprofit entities for programs and activities that will further investor education and financial literacy in the state.

The funds in the enforcement account do not revert to the state general fund at the end of any state fiscal year.

(g) In connection with the administration and enforcement of this article, the attorney general shall render all necessary assistance to the commissioner upon the commissioner's request, and to that end, the attorney general shall employ legal and other professional services as are necessary to adequately and fully perform the service under the direction of the commissioner as the demands of the securities division shall require. Expenses incurred by the attorney general for the purposes stated in this subsection shall be chargeable against and paid out of funds appropriated to the attorney general for the administration of the attorney general's office. The attorney general may authorize the commissioner and the commissioner's designee to represent the commissioner and the securities division in any proceeding involving enforcement or defense of this article.

(h) Neither the secretary of state, the commissioner, nor an employee of the securities division shall be liable in their individual

capacity, except to the state, for an act done or omitted in connection with the performance of their respective duties under this article.

(i) The commissioner shall take, prescribe, and file the oath of office prescribed by law. The commissioner, chief deputy commissioner, and each attorney or investigator designated by the commissioner are police officers of the state and shall have all the powers and duties of police officers in making arrests for violations of this article, or in serving any process, notice, or order connected with the enforcement of this article by whatever officer, authority, or court issued and shall comprise the enforcement department of the division and are considered a criminal justice agency for purposes of IC 5-2-4 and IC 10-13-3.

(j) The provisions of this article delegating and granting power to the secretary of state, the securities division, and the commissioner shall be liberally construed to the end that:

- (1) the practice or commission of fraud may be prohibited and prevented;
- (2) disclosure of sufficient and reliable information in order to afford reasonable opportunity for the exercise of independent judgment of the persons involved may be assured; and
- (3) the qualifications may be prescribed to assure availability of reliable broker-dealers, investment advisers, and agents engaged in and in connection with the issuance, barter, sale, purchase, transfer, or disposition of securities in this state.

It is the intent and purpose of this article to delegate and grant to and vest in the secretary of state, the securities division, and the commissioner full and complete power to carry into effect and accomplish the purpose of this article and to charge them with full and complete responsibility for its effective administration.

(k) Copies of any statement and documents filed in the office of the secretary of state and of any records of the secretary of state certified by the commissioner shall be admissible in any prosecution, action, suit, or proceeding based upon, arising out of, or under this article to the same effect as the original of such statement, document, or record would be if actually produced.

(l) IC 4-21.5 is not applicable to any of the proceedings under this article.

Sec. 2. (a) The commissioner may:

- (1) conduct public or private investigations within or outside this state which the commissioner considers necessary or

**C
o
p

appropriate to determine whether a person has violated, is violating, or is about to violate this article or a rule adopted or order issued under this article, or to aid in the enforcement of this article or in the adoption of rules and forms under this article;

(2) require or permit a person to testify, file a statement, or produce a record, under oath or otherwise as the commissioner determines, as to all the facts and circumstances concerning a matter to be investigated or about which an action or proceeding is to be instituted; and

(3) publish a record concerning an action, proceeding, or an investigation under, or a violation of, this article or a rule adopted or order issued under this article if the commissioner determines it is necessary or appropriate in the public interest and for the protection of investors.

(b) For the purpose of an investigation under this article, the commissioner or the commissioner's designated officer may administer oaths and affirmations, subpoena witnesses, seek compulsion of attendance, take evidence, require the filing of statements, and require the production of any records that the commissioner considers relevant or material to the investigation. Upon order of the commissioner or a hearing officer appointed by the commissioner in any hearing, depositions may be taken in the manner prescribed by law for depositions in civil actions and made returnable to the commissioner or a hearing officer appointed by the commissioner.

(c) If a person does not appear or refuses to testify, file a statement, or produce records, or otherwise does not obey a subpoena as required by this article, the commissioner or hearing officer appointed by the commissioner may apply to the circuit or superior court in the county where the hearing, investigation, or inquiry in question is being conducted to enforce compliance. The court may:

- (1) hold the person in contempt;
- (2) order the person to appear before the commissioner or hearing officer appointed by the commissioner;
- (3) order the person to testify about the matter under investigation or in question;
- (4) order the production of records;
- (5) grant injunctive relief, including restricting or prohibiting the offer or sale of securities or the providing of investment advice;

**C
o
p

(6) impose a civil penalty of not more than twenty thousand dollars (\$20,000) for each violation; and

(7) grant any other necessary or appropriate relief.

(d) This section does not preclude a person from applying to the circuit or superior court in the county where the hearing, investigation, or inquiry in question is being conducted for relief from a request to appear, testify, file a statement, produce records, or obey a subpoena.

(e) If a witness, in any hearing, inquiry, or investigation conducted under this article, refuses to answer any question or produce any item, the commissioner may file a written petition with the circuit or superior court in the county where the hearing, investigation, or inquiry in question is being conducted requesting a hearing on the refusal. The court shall hold a hearing to determine if the witness may refuse to answer the question or produce the item. If the court determines that the witness, based upon the witness's privilege against self-incrimination, may properly refuse to answer or produce an item, the commissioner may make a written request that the court grant use immunity to the witness. Upon written request of the commissioner, the court shall grant use immunity to a witness. The court shall instruct the witness, by written order or in open court, that:

(1) any evidence the witness gives, or evidence derived from that evidence, may not be used in any criminal proceedings against that witness, unless the evidence is volunteered by the witness or is not responsive to a question; and

(2) the witness must answer the questions asked and produce the items requested. A grant of use immunity does not prohibit the use of evidence that the witness gives in a hearing, investigation, or inquiry from being used in a prosecution for perjury under IC 35-44-2-1. If a witness refuses to give the evidence after the witness has been granted use immunity, the court may find the witness in contempt.

(f) At the request of the securities regulator of another state or a foreign jurisdiction, the commissioner may provide assistance if the requesting regulator states that it is conducting an investigation to determine whether a person has violated, is violating, or is about to violate a law or rule of the other state or foreign jurisdiction relating to securities matters that the requesting regulator administers or enforces. The commissioner may provide the assistance by using the authority to investigate and the powers conferred by this section as the commissioner determines is

**C
o
p

necessary or appropriate. The assistance may be provided without regard to whether the conduct described in the request would also constitute a violation of this article or other law of this state if occurring in this state. In deciding whether to provide the assistance, the commissioner may consider whether the requesting regulator is permitted and has agreed to provide assistance reciprocally within its state or foreign jurisdiction to the commissioner on securities matters when requested; whether compliance with the request would violate or prejudice the public policy of this state; and the availability of resources and employees of the commissioner to carry out the request for assistance.

(g) In any prosecution, action, suit, or proceeding based upon or arising out of or under the provisions of this article, a certificate duly signed by the commissioner showing compliance or noncompliance with the provisions of this article, respecting the security in question or respecting compliance or noncompliance of this article, by any issuer, broker-dealer, investment advisor, or agent, shall constitute prima facie evidence of compliance or noncompliance with the provisions of this article, as the case may be, and shall be admissible in evidence in any action at law or in equity to enforce this article.

(h) Each witness who shall appear before the commissioner or a hearing officer appointed by the commissioner by order shall receive for the witness's attendance the fees and mileage provided for witnesses in civil cases, which shall be audited and paid by the state in the same manner as other expenses of the securities division are audited and paid upon the presentation of proper vouchers sworn to by the witnesses and approved by the commissioner. However, no witnesses subpoenaed at the instance of parties other than the commissioner or a hearing officer appointed by the commissioner shall be entitled to any fee or compensation from the state.

Sec. 3. (a) If the commissioner believes that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this article or a rule adopted or order issued under this article or that a person has, is, or is about to engage in an act, practice, or course of business that materially aids a violation of this article or a rule adopted or order issued under this article, the commissioner may maintain an action in the circuit or superior court in the county where the investigation or inquiry in question is being conducted to enjoin the act, practice, or course of business and to enforce compliance with

this article or a rule adopted or order issued under this article.

(b) In an action under this section and on a proper showing, the court may:

- (1) issue a permanent or temporary injunction, restraining order, or declaratory judgment;
- (2) order other appropriate or ancillary relief, which may include:

(A) an asset freeze, accounting, writ of attachment, writ of general or specific execution, and appointment of a receiver or conservator;

(B) ordering a receiver or conservator appointed under clause (A) to take charge and control of a respondent's property, including investment accounts and accounts in a depository institution, rents, and profits; to collect debts; and to acquire and dispose of property;

(C) imposing a civil penalty up to ten thousand dollars (\$10,000) per violation and an order of rescission, restitution, or disgorgement directed to a person that has engaged in an act, practice, or course of business constituting a violation of this article or the predecessor act or a rule adopted or order issued under this article or the predecessor act; and

(D) ordering the payment of prejudgment and postjudgment interest; or

- (3) order such other relief as the court considers appropriate.

(c) The commissioner may not be required to post a bond in an action or proceeding under this article.

(d) Penalties collected under this section shall be deposited in the securities division enforcement account established under section 1 of this chapter.

Sec. 4. (a) If the commissioner determines that a person has engaged, is engaging, or is about to engage in an act, practice, or course of business constituting a violation of this article or a rule adopted or order issued under this article or that a person has materially aided, is materially aiding, or is about to materially aid an act, practice, or course of business constituting a violation of this article or a rule adopted or order issued under this article, the commissioner may:

- (1) investigate and may issue, with or without a prior hearing, orders and notices as the commissioner determines to be in the public interest, including cease and desist orders, orders to show cause, and notices. After notice and hearing, the

**C
o
p

commissioner may enter an order of rescission, restitution, or disgorgement, including interest at the legal rate of interest, directed to a person who has violated this article or a rule or order under this article;

(2) issue an order denying, suspending, revoking, or conditioning the exemptions for a broker-dealer under IC 23-19-4-1(b)(1)(D) or IC 23-19-4-1(b)(1)(F) or an investment adviser under IC 23-19-4-3(b)(1)(C); or

(3) issue an order under IC 23-19-2-4.

(b) An order under subsection (a) is effective on the date of issuance. Upon issuance of the order, the commissioner shall promptly serve each person subject to the order with a copy of the order and a notice that the order has been entered. The order must include a statement whether the commissioner will seek a civil penalty or costs of the investigation, a statement of the reasons for the order, and notice that, within fifteen (15) days after receipt of a request in a record from the person, the matter will be scheduled for a hearing. If a person subject to the order does not request a hearing and none is ordered by the commissioner within forty-five (45) days after the date of service of the order, the order, which may include a civil penalty or costs of the investigation if a civil penalty or costs were sought in the statement accompanying the order, becomes final as to that person by operation of law. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to each person subject to the order, may modify or vacate the order or extend it until final determination.

(c) If a hearing is requested or ordered under subsection (b), the hearing must be held within fifteen (15) days of receipt. A final order may not be issued unless the commissioner makes findings of fact and conclusions of law in a record. The final order may make final, vacate, or modify the order issued under subsection (a).

(d) In a final order under subsection (c), the commissioner may impose a civil penalty up to ten thousand dollars (\$10,000) per violation. Penalties collected under this section shall be deposited in the securities division enforcement account established under section 1 of this chapter.

(e) In a final order, the commissioner may charge the cost of an investigation or proceeding for a violation of this article or a rule adopted or order issued under this article.

(f) If a petition for judicial review of a final order is not filed in accordance with section 9 of this chapter, the commissioner may

C
O
P

file a certified copy of the final order with the clerk of a court with jurisdiction. The order so filed has the same effect as a judgment of the court and may be recorded, enforced, or satisfied in the same manner as a judgment of the court.

(g) If a person does not comply with an order under this section, the commissioner may petition a court with jurisdiction to enforce the order. The court may not require the commissioner to post a bond in an action or proceeding under this section. If the court finds, after service and opportunity for hearing, that the person was not in compliance with the order, the court may adjudge the person in civil contempt of the order. The court may impose a further civil penalty against the person for contempt in an amount not greater than twenty thousand dollars (\$20,000) for each violation and may grant any other relief the court determines is just and proper in the circumstances.

(h) The commissioner shall send a certified copy of every final order that suspends or revokes a person's registration under this article, or that orders a person who is not registered under this article to cease and desist from violating this article, to the insurance commissioner appointed under IC 27-1-1-2. The insurance commissioner shall act in accordance with IC 27-1-15.6-29.5.

Sec. 5. (a) The commissioner may:

- (1) issue forms and orders and, after notice and comment, may adopt and amend rules necessary or appropriate to carry out this article and may repeal rules, including rules and forms governing registration statements, applications, notice filings, reports, and other records;
- (2) by rule, define terms, whether or not used in this article, but those definitions may not be inconsistent with this article; and
- (3) by rule, classify securities, persons, and transactions and adopt different requirements for different classes.

(b) Under this article, a rule or form may not be adopted or amended, or an order issued or amended, unless the commissioner finds that the rule, form, order, or amendment is necessary or appropriate in the public interest or for the protection of investors and is consistent with the purposes intended by this article.

(c) Subject to Section 15(h) of the Securities Exchange Act of 1938 (15 U.S.C. 78o(h)) and Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a), the commissioner may require that a financial statement filed under this article be prepared in

**C

accordance with generally accepted accounting principles in the United States and comply with other requirements specified by rule adopted or order issued under this article. A rule adopted or order issued under this article may establish:

- (1) subject to Section 15(h) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(h)) and Section 222 of the Investment Advisors Act of 1940 (15 U.S.C. 80b-18a), the form and content of financial statements required under this article;
- (2) whether unconsolidated financial statements must be filed; and
- (3) whether required financial statements must be audited by an independent certified public accountant.

(d) The commissioner may provide interpretative opinions or issue determinations that the commissioner will not institute a proceeding or an action under this article against a specified person for engaging in a specified act, practice, or course of business if the determination is consistent with this article. The commissioner shall charge a fee of one hundred dollars (\$100) for an interpretive opinion or determination.

(e) A penalty under this article may not be imposed for, and liability does not arise from, conduct that is engaged in or omitted in good faith and reasonably believed to be conforming to a rule, form, or order of the commissioner under this article.

(f) A hearing in an administrative proceeding under this article must be conducted in public unless the commissioner for good cause consistent with this article determines that the hearing will not be so conducted.

Sec. 6. (a) The commissioner shall maintain, or designate a person to maintain, a register of applications for registration of securities; registration statements; notice filings; applications for registration of broker-dealers, agents, investment advisers, and investment adviser representatives; notice filings by federal covered investment advisers that are or have been effective under this article or the predecessor act; notices of claims of exemption from registration or notice filing requirements contained in a record; orders issued under this article or the predecessor act; and interpretative opinions or no-action determinations issued under this article.

(b) The commissioner shall make all rules, forms, interpretative opinions, and orders available to the public.

(c) The commissioner shall furnish a copy of a record that is a public record, or a certification that the public record does not

**C
o
p

exist, to a person that so requests. A rule adopted under this article may establish a reasonable charge for furnishing the record or certification. A copy of the record certified or a certificate by the commissioner of a record's nonexistence is prima facie evidence of a record or its nonexistence.

Sec. 7. (a) Except as otherwise provided in subsection (b), records obtained by the commissioner or filed under this article, including a record contained in or filed with a registration statement, application, notice filing, or report, are public records and are available for public examination.

(b) The following records are not public records and are not available for public examination under subsection (a):

(1) A record obtained by the commissioner in connection with an audit or inspection under IC 23-19-4-11(d) or an investigation under section 2 of this chapter.

(2) A part of a record filed in connection with a registration statement under IC 23-19-3-1 and IC 23-19-3-3 through IC 23-19-3-5 or a record under IC 23-19-4-11(d) that contains trade secrets or confidential information if the person filing the registration statement or report has asserted a claim of confidentiality or privilege that is authorized by law and approved by the commissioner.

(3) A record that is not required to be provided to the commissioner or filed under this article and is provided to the commissioner only on the condition that the record will not be subject to public examination or disclosure.

(4) A nonpublic record received from a person specified in section 8(a) of this chapter.

(5) Any Social Security number, residential address unless used as a business address, and residential telephone number unless used as a business telephone number, contained in a record that is filed.

(6) A record obtained by the commissioner through a designee of the commissioner that a rule or order under this article determines has been:

(A) expunged from the commissioner's records by the designee; or

(B) determined to be nonpublic or nondisclosable by that designee if the commissioner finds the determination to be in the public interest and for the protection of investors.

(c) If disclosure is for the purpose of a civil, administrative, or criminal investigation, action, or proceeding or to a person

**C

specified in section 8(a) of this chapter, the commissioner may disclose a record obtained in connection with an audit or inspection under IC 23-19-4-11(d) or a record obtained in connection with an investigation under section 2 of this chapter.

Sec. 8. (a) The commissioner shall, in its discretion, cooperate, coordinate, consult, and, subject to section 7 of this chapter, share records and information with the securities regulator of another state, Canada, a Canadian province or territory, a foreign jurisdiction, the Securities and Exchange Commission, the United States Department of Justice, the Commodity Futures Trading Commission, the Federal Trade Commission, the Securities Investor Protection Corporation, a self-regulatory organization, a national or international organization of securities regulators, a federal or state banking and insurance regulator, or a governmental law enforcement agency to effectuate greater uniformity in securities matters among the federal government, self-regulatory organizations, states, and foreign governments.

(b) In cooperating, coordinating, consulting, and sharing records and information under this section and in acting by rule, order, or waiver under this article, the commissioner shall, in its discretion, take into consideration in carrying out the public interest the following general policies:

- (1)** Maximizing effectiveness of regulation for the protection of investors.
- (2)** Maximizing uniformity in federal and state regulatory standards.
- (3)** Minimizing burdens on the business of capital formation, without adversely affecting essentials of investor protection.

(c) The cooperation, coordination, consultation, and sharing of records and information authorized by this section includes:

- (1)** establishing or employing one (1) or more designees as a central depository for registration and notice filings under this article and for records required or allowed to be maintained under this article;
- (2)** developing and maintaining uniform forms;
- (3)** conducting a joint examination or investigation;
- (4)** holding a joint administrative hearing;
- (5)** instituting and prosecuting a joint civil or administrative proceeding;
- (6)** sharing and exchanging personnel;
- (7)** coordinating registrations under IC 23-19-3 and IC 23-19-4-1 through IC 23-19-4-4 and exemptions under

**C

IC 23-19-2-3;

(8) sharing and exchanging records, subject to section 7 of this chapter;

(9) formulating rules, statements of policy, guidelines, forms, and interpretative opinions and releases;

(10) formulating common systems and procedures;

(11) notifying the public of proposed rules, forms, statements of policy, and guidelines;

(12) attending conferences and other meetings among securities regulators, which may include representatives of governmental and private sector organizations involved in capital formation, considered necessary or appropriate to promote or achieve uniformity; and

(13) developing and maintaining a uniform exemption from registration for small issuers, and taking other steps to reduce the burden of raising investment capital by small businesses.

Sec. 9. (a) An appeal may be taken by:

(1) any issuer, investment adviser, or registered broker-dealer whose application for registration of an issue of securities may have been granted or denied, from any final order of the commissioner respecting that application or registration;

(2) any applicant for registration as a broker-dealer, investment adviser, or agent of any registered broker-dealer, investment adviser, or agent, from any final order of the commissioner affecting the application or registration as a broker-dealer, investment adviser, or agent;

(3) any person against whom a civil penalty has been imposed under section 3(b) or 4(d) of this chapter, from the final order of the commissioner imposing the civil penalty; or

(4) any person who is named a respondent, from any final order issued by the commissioner under section 2, 3, or 4 of this chapter;

to the circuit or superior court of Marion County or the county wherein the person taking the appeal resides or maintains a place of business.

(b) Within twenty (20) days after the entry of the order, the commissioner shall be served with:

(1) a written notice of the appeal stating the court to which the appeal will be taken and the grounds upon which a reversal of the final order is sought;

(2) a demand in writing for a certified transcript of the record and of all papers on file in the commissioner's office affecting

or relating to the order; and

(3) a bond in the penal sum of five hundred dollars (\$500) to the state of Indiana with sufficient surety to be approved by the commissioner, conditioned upon the faithful prosecution of the appeal to final judgment and the payment of all costs that shall be adjudged against the appellant.

(c) After the commissioner has been served with the items specified in subsection (b), the commissioner shall within ten (10) days make, certify, and deliver to the appellant the transcript, and the appellant shall within five (5) days file the same and a copy of the notice of appeal with the clerk of the court, which notice of appeal shall stand as appellant's complaint, and the commissioner may appear and file any motion or pleading and form the issue. The cause shall be entered on the trial calendar for trial de novo and given precedence over all matters pending in the court.

(d) The court shall receive and consider any pertinent evidence, whether oral or documentary, concerning the order of the commissioner from which the appeal is taken. If the order of the commissioner is reversed, the court shall in its mandate specifically direct the commissioner as to the commissioner's further action in the matter, including the making and entering of any order or orders in connection therewith and the conditions, limitations, or restrictions to be contained. The commissioner is not barred from revoking or altering the order for any proper cause that may thereafter accrue or be discovered. If the order is affirmed, the appellant is not barred after thirty (30) days from filing a new application if the application is not otherwise barred or limited. The appeal shall not in any way suspend the operation of the order appealed from during the pendency of the appeal unless upon proper order of the court. An appeal may be taken from the judgment of the court on any appeal on the same terms and conditions as an appeal is taken in civil actions.

Sec. 10. (a) IC 23-19-3-1, IC 23-19-3-2, IC 23-19-4-1(a), IC 23-19-4-2(a), IC 23-19-4-3(a), IC 23-19-4-4(a), IC 23-19-5-1, IC 23-19-5-6, IC 23-19-5-9, and IC 23-19-5-10 do not apply to a person that sells or offers to sell a security unless the offer to sell or the sale is made in Indiana or the offer to purchase or the purchase is made and accepted in Indiana.

(b) IC 23-19-4-1(a), IC 23-19-4-2(a), IC 23-19-4-3(a), IC 23-19-4-4(a), IC 23-19-5-1, IC 23-19-5-6, IC 23-19-5-9, and IC 23-19-5-10 do not apply to a person that purchases or offers to purchase a security unless the offer to purchase or the purchase is

**C
o
p

made in Indiana or the offer to sell or the sale is made and accepted in Indiana.

(c) For the purpose of this section, an offer to sell or to purchase a security is made in Indiana, whether or not either party is then present in Indiana, if the offer:

- (1) originates from within Indiana;
- (2) is directed by the offeror to a place in Indiana and received at the place to which it is directed; or
- (3) is directed by the offeror to a resident of Indiana.

(d) For the purpose of this section, an offer to purchase or to sell is accepted in Indiana, whether or not either party is then present in Indiana, if the acceptance:

- (1) is communicated to the offeror in Indiana and the offeree reasonably believes the offeror to be present in Indiana and the acceptance is received at the place in Indiana to which it is directed or to another place in Indiana; and
- (2) has not previously been communicated to the offeror, orally or in a record, outside this state.

(e) An offer to sell or to purchase is not made in Indiana when a publisher circulates, or there is circulated on the publisher's behalf, in Indiana a bona fide newspaper or other publication of general, regular, and paid circulation that is not published in Indiana, or that is published in Indiana but has had more than two-thirds (2/3) of its circulation outside Indiana during the previous twelve (12) months, or when a radio or television program or other electronic communication originating outside Indiana is received in Indiana. A radio or television program or other electronic communication is considered as having originated in Indiana if either the broadcast studio or the originating source of transmission is located in Indiana, unless:

- (1) the program or communication is syndicated and distributed from outside Indiana for redistribution to the general public in Indiana;
- (2) the program or communication is supplied by a radio, television, or other electronic network with the electronic signal originating from outside Indiana for redistribution to the general public in Indiana;
- (3) the program or communication is an electronic communication that originates outside Indiana and is captured for redistribution to the general public in Indiana by a community antenna or cable, radio, cable television, or other electronic system; or

**C
O
P
Y**

(4) the program or communication consists of an electronic communication that originates in Indiana, but which is not intended for distribution to the general public in Indiana.

(f) IC 23-19-4-3(a), IC 23-19-4-4(a), IC 23-19-4-5(a), IC 23-19-5-2, IC 23-19-5-5, and IC 23-19-5-6 apply to a person if the person engages in an act, practice, or course of business instrumental in effecting prohibited or actionable conduct in this state, whether or not either party is then present in this state.

Sec. 11. (a) An irrevocable consent to service of process required by this article must be signed and filed in the form required by a rule or order under this article. A consent appointing the secretary of state as the person's agent for service of process in an action or proceeding against the person, or the person's successor or personal representative under this article or a rule adopted or order issued under this article after the consent is filed, has the same force and validity as if the service were made personally on the person filing the consent. A person that has filed a consent complying with this subsection in connection with a previous application for registration or notice filing need not file an additional consent.

(b) If a person, including a nonresident of this state, engages in an act, practice, or course of business prohibited or made actionable by this article or a rule adopted or order issued under this article and the person has not filed a consent to service of process under subsection (a), the act, practice, or course of business constitutes the appointment of the secretary of state as the person's agent for service of process in an action or proceeding against the person or the person's successor or personal representative.

(c) Service under subsection (a) or (b) may be made by providing a copy of the process to the office of the secretary of state, but it is not effective unless:

- (1) the plaintiff, which may be the commissioner, promptly sends notice of the service and a copy of the process, return receipt requested, to the respondent at the address set forth in the consent to service of process or, if a consent to service of process has not been filed, at the last known address of the respondent, or takes other reasonable steps to give notice; and
- (2) the plaintiff files an affidavit of compliance with this subsection in the action or proceeding on or before the return day of the process, if any, or within the time that the court, or the commissioner in a proceeding before the commissioner, allows.

C
O
P
Y

(d) Service under subsection (c) may be used in a proceeding before the commissioner or by the commissioner in a civil action in which the commissioner is the moving party.

(e) If process is served under subsection (c), the court, or the commissioner in a proceeding before the commissioner, shall order continuances as are necessary or appropriate to afford the defendant or respondent reasonable opportunity to defend.

The applicant or licensee may, not more than sixty-three (63) days after notice of denial of the applicant's application or nonrenewal of the licensee's license is mailed, make written demand to the commissioner for a hearing before the commissioner to determine the reasonableness of the commissioner's action. The hearing shall be held not more than thirty (30) days after the applicant or licensee makes the written demand, and shall be conducted under IC 4-21.5.

(e) The license of a business entity may be suspended, revoked, or refused if the commissioner finds, after hearing, that a violation of an individual licensee acting on behalf of the partnership or corporation was known or should have been known by one (1) or more of the partners, officers, or managers of the partnership or corporation and:

- (1) the violation was not reported to the commissioner; and
- (2) no corrective action was taken.

(f) In addition to or in lieu of any applicable denial, suspension, or revocation of a license under subsection (b), a person may, after a hearing, be subject to the imposition by the commissioner under subsection (b) of a civil penalty of not less than fifty dollars (\$50) and not more than ten thousand dollars (\$10,000). A penalty imposed under this subsection may be enforced in the same manner as a civil judgement.

(g) A licensed insurance producer or limited lines producer shall, not more than ten (10) days after the producer receives a request in a registered or certified letter from the commissioner, furnish the commissioner with a full and complete report listing each insurer with which the licensee has held an appointment during the year preceding the request.

(h) If a licensee fails to provide the report requested under subsection (g) not more than ten (10) days after the licensee receives the request, the commissioner may, in the commissioner's sole discretion, without a hearing, and in addition to any other sanctions allowed by law, suspend any insurance license held by the licensee pending receipt of the appointment report.

(i) The commissioner shall promptly notify all appointing insurers and the licensee regarding any suspension, revocation, or termination of a license by the commissioner under this section.

(j) The commissioner may not grant, renew, continue, or permit to continue any license if the commissioner finds that the license is being used or will be used by the applicant or licensee for the purpose of writing controlled business. As used in this subsection, "controlled business" means:

However, this section does not apply to insurance written or interests insured in connection with or arising out of credit transactions. A license is considered to have been used or intended to be used for the purpose of writing controlled business if the commissioner finds that during any twelve (12) month period the aggregate commissions earned from the controlled business exceeded twenty-five percent (25%) of the aggregate commission earned on all business written by the applicant or licensee during the same period.

this chapter or any other provision of this title against any person who is under investigation for or charged with a violation of this chapter or any other provision of this title, even if the person's license or registration has been surrendered or has lapsed by operation of law.

(l) For purposes of this section, the violation of any provision of IC 28 concerning the sale of a life insurance policy or an annuity contract shall be considered a violation described in subsection (b)(2).

(m) The commissioner may order a licensee to make restitution if the commissioner finds that the licensee has committed a violation described in:
